On Thursday Mornings You Work For The FBI.

Who Does The FBI Work For?

Go ahead, figure it out. You work part time for the government. If you're like most of us, you work 2 to 3 days a week to pay your taxes.

Some of those taxes fund the FBI, the CIA and other government "intelligence" agencies.

What's so intelligent about them? Well, for starters, they've used *your* money to do things in *your* name that you would never approve of.

Things like:

Illegal wiretapping

Burglaries

Spying

Assassination plots.

The American public found out about these abuses *after* they happened—*long* afterwards.

Isn't it about time someone began keeping an eye on the Justice Department and the CIA?

Someone is. That "someone" is the Committee for Public Justice. The Committee

probes, analyzes, uncovers and reports information vital to protecting our civil liberties. The

Committee's investigative newsletter, *Justice*

Department Watch, is the only publication that

regularly scrutinizes in depth the activities of

the 55,000 employees of the Department of

Justice (which includes the FBI, the Drug

Enforcement Administration, the Immigration

and Naturalization Service, and the Bureau of

Prisons).

The Committee played a major role in publicizing the overreaching of these and other

agencies—abuses committed in the name of

"law enforcement" and "national security."

According to U.S. government figures the average American family spends about \$50 a

year to fund federal law enforcement and

"justice" activities.

Don't you think it's worth a few dollars to find out what
they're doing with all that money—before it's too late?
